SCHOOL HOLIDAY HORSE RIDING CAMPS

At Horse Riding Warkworth we run a fun school holiday programme for students. Spend between 2 and up to 5 days Monday to Friday. If you would love a horse of your own this is a perfect holiday treat!

Students are accommodated in our large, homely farmhouse and welcomed as part of our family for their stay.

Each day we have 2 scheduled morning rides and 2 afternoon rides. Each day the students can help our leaders brush their horses ready for riding. Older students learn how to clean out their horses' hooves and put on the saddle and bridle.

The students are able to ride a variety of different horses which helps them improve their riding skills, moving at their skill level to the slightly faster horses. We always do our best to match the ponies and horses with the children's sizes and abilities to ensure safe and enjoyable rides.

COST

The price for school holiday students is \$150 per day/night which includes accommodation, food, 3 horse rides and lots of horsey fun! Adults are also welcome at \$150 per day.

If students do not wish to ride for some of the rides (because of sore muscles or bottoms) they can stay home and we have lots of activities including table tennis, pool/billiards, a trampoline, computer available or help leaders to put away horses.

Book early and make that dream of living in the wonderful world of horses true!

Heather and Roger MacKenzie

NB: Casual ride charges for Horse Riding are:
\$ 60 per person = 1 hour
\$ 110 per person = 2 hours
